

October 2018

Friends,

I am looking forward to seeing many of you at our forthcoming **Members' Day, Saturday 13<sup>th</sup> October 10am (coffee) for 10.30 – 3pm, St James Church Southam. CV47 0EA. (Bring your own lunch)**

Our theme is: **"Making a Difference"**

What are we doing to make a difference in people's lives?

Whose lives are we touching?

What difference are we making in people's lives?

How could we be more effective in making a difference?

There will be some beautiful cards and gifts from MU Enterprises for you to purchase at Members' Day.

If you would like to make a separate order, please contact Nicola in the office.

Why not sell a selection of cards in your church and branch?

In the past few days I have spent time at the International Gathering, in Coventry, of Partners in the Community of the Cross of Nails (CCN) – what an inspiring and amazing group of people and organisations, all committed to peace-building and reconciliation.

We are delighted that Mothers' Union worldwide is about to become a partner and will receive its Cross of Nails in November. We believe that all our work as members of Mothers' Union truly contributes to peace and reconciliation.

A range of activities and events are organised by the Reconciliation Ministry at St Michael's House and are open to all members. Please contact them for more details.

Reminder that our **Advent Service** will be held at St James Church Bulkington on Monday 3<sup>rd</sup> December at 11am. This is always a special time to join together to worship and reflect on the season of Advent. All are welcome, please feel free to invite friends along.

With blessings on all your ministry, Jane
