Cast off and repeat for the other side. (Alternatively, don't cast off and do the same in reverse for a 1 piece teddy.)

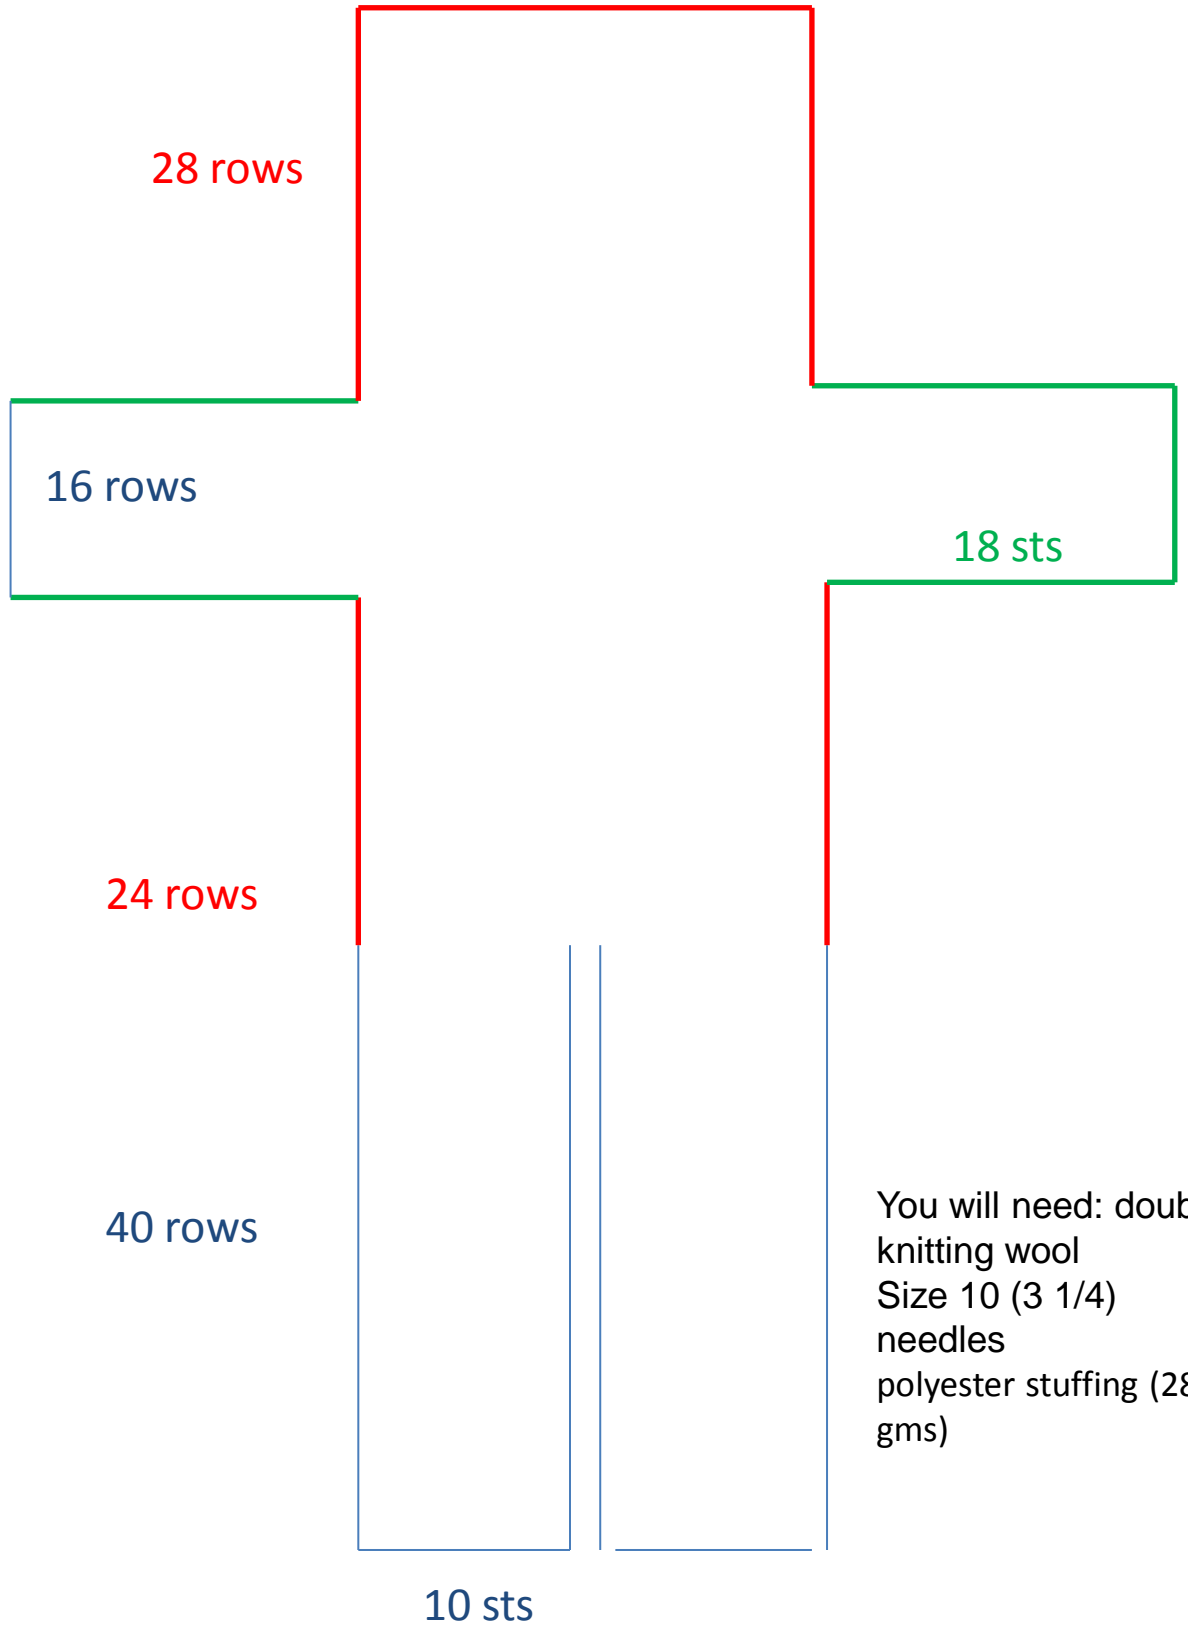

To make up:

Weave in all loose ends and sew up the teddy leaving an opening in one side for stuffing. Sew across the top corners of the head to make ears before stuffing. Stuff your teddy with 28g of clean, new polyester stuffing (BS1425 or BS5852). Run a thread through the knitting to make a neck and draw it in, knot the ends and weave the in the excess. Embroider a smiley face. Use small stitches, (back-stitch and stem-stitch) and ensure all the ends are firmly finished.

Scarf: Cast on 75 stitches, knit 4 rows

Sew the scarf to the back of the neck of the teddy so it won't get lost, but only at the back to increase the possibilities for play.
