**Abigail and Bethany Kinderman’s Service Trip to India**

We are going to Sangam, a Girlguiding world centre which is based in Pune (Maharashtra), in which there are over 20 different projects in the community. We will be working on one or more of these projects. We are going with six other girls and three leaders.

We will be part of the reaching your potential event. This is a leadership event centred around Leadership, Community and Advocacy. This means we will be doing a variety of things such as helping in the community, experiencing Indian culture and learning new use skills to use in the community of Hartshill. After our stay at Sangam, we will be having a couple of sightseeing days including a visit to the Taj Mahal.

We ask that during our time in India and beyond you would pray for us and for India. Below are a few prayer points centred around our needs on the service trip and issues that India is facing today:

Pray for an end to caste discrimination as this continues to be an issue in modern India. A United Nations report in 2005 indicated that there were more than 31,000 violent acts committed against the 'Untouchables' in a single year.

Pray for Christians in India facing persecution. On average, more than 15 Christians were physically attacked every week in India in 2016 and it is estimated that a church was burnt down or a cleric beaten on average 10 times a week.

Pray for children in India who are prevented from attending school and the groups such as Sangam’s door step school which brings

education to those most in need. 50% of children aged 6-8 do not attend school and on average there are less than 3 teachers per primary school.

Pray for the food situation in India and that a solution may be found. In 2014-15 194.6 million people starved. It has the largest population of malnourished people, 1 in 4 children.

Please also pray for us and the others on this trip, that we will be protected against illness and danger. Pray too that we will be able to work as a team and have an enjoyable time!

Thank you to all who contributed to our Songs of Praise service. We enjoyed singing a wide range of songs (traditional and modern) and it was lovely to hear the reasons why the songs were important to people and how they had shaped their life and faith journeys. It was also fantastic that all the churches were represented in our service together.

Churches together activities take a break now for a little while – with our next service being Advent and then carol singing – but it is great to enjoy fellowship together when we do.

Please do join us if you can... ..for... *“How good and pleasant it is when brothers and sisters live together in unity...for there the LORD bestows his blessing, even life forevermore.” (Psalm 133)* *Heather*

### **Prayer in a storm**

Faithful Father, Storms come! No matter who we are, no matter what we have done or not done, storms come. Please protect us. Reassure us that you are with us in any and every storm; that you will never leave us or forsake us. May we know the peace of your presence whatever our circumstances today. Alone we would sink and give up. With you we will be strengthened to stay afloat. We will be encouraged to face each day, confident that you are above all things - and that we belong to you. Thank you Father, in Jesus name.

Amen.

## Knitting Matters

Hartshill Mothers' Union does not meet in August as so many of us are on holiday but this gives the knitters amongst us the opportunity to catch up on one of our favourite "Faith in Action" activities, knitting.

However, Mothers' Union members are not the only knitters who knit for charity. I would like to take the opportunity to say a big thank you to those of you who have knitted blankets, hats for babies, teddies and other items which you have given to Mothers' Union to distribute.

If you like knitting for charity but you don't know who to give the items to, MU will always find a suitable charity. Our MU Diocesan secretary was most amused recently when she received a box of 50 fishermen's hats from a coastal town in Scotland at our office in land locked Coventry, but she found a good home for them with 'Carriers of Hope'.

In August, one of our members will be visiting a prison for a families' day and she will be taking knitted teddies for the children. We will also be donating teddies and blankets to the Chinthowa Development Trust who are sending a container to Malawi in September. We also knit small hand puppets for Operation Christmas Child boxes. If you want to knit for charity but don't have an outlet, I am happy to find a home for your lovingly knitted items via Mothers' Union. If you want to, you can find some ideas for things to knit on our website at

## CHRISTIAN CHARITY NEWS

### THE GIDEONS INTERNATIONAL

The Gideons International began over 100 years ago when 2 men met and discussed evangelism. They prayed together and both felt the call to begin developing an Association to reach people for Christ and in 1908 the first Bible was placed in a hotel in the USA.

I received my red New Testament with Psalms and Proverbs from high school in 1965; so it's a little bit tatty now! On the front page it quoted - "The Gideons International is an Association of Christian business and professional men, banded together in more than sixty countries for fellowship and service. The purpose of the Association is promotion of the Gospel of Christ to all people, to the end that they might come to know the Lord Jesus Christ as their personal Saviour. With the help of Christian friends of many different churches, Gideons have been able to place and distribute over fifty million Bibles and New Testaments to hotels, motels, hospitals, penal institutions, members of the armed forces, school students and those in the public nursing field. We are pleased to present you with this copy of God's precious Word and trust that you will enjoy reading it daily." I have to confess that I did not read it daily at that time, but kept it and read it intermittently.

Since then the Gideons have now delivered over two billion Bibles and New Testaments in over 200 countries and in over 100 languages. Each book comes with a "Where to find help" page listing a variety of situations and a Bible reference for finding help when needed.

Maybe you too received a red New Testament from your school or college or a white one if you did nursing training or a different coloured one for other occupations. Maybe you have been in a hotel and seen a Bible in a

drawer. Maybe you read it or maybe not. Or if you were in hospital a few years ago, there would have been one in your bedside locker.

Many peoples' lives have been saved by a Gideons' Bible or New Testament. There was the story of a business man in a hotel, considering jumping from the balcony of his room; but the night before he had read some of the Gideons' Bible and instead of jumping he turned to the Bible again and this time he trusted in the Lord and his life was turned around. Or the woman who had a gun ready to end her life, when out of the corner of her eye she spotted the New Testament she had received many years before, put the gun down, read some of the book and her life was saved too. The prisoner in his cell contemplating how his life had reached rock bottom and wondered how to end his miserable life, when he saw the Gideons' Bible, opened it and spent the whole night reading it and by morning he had given his life to the Lord Jesus and had hope for the future (in this life and for his eternal life). Then there was the story many years ago of a Police Officer who valued his New Testament and carried it around with him in his breast pocket which literally saved his life when he was shot at and the New Testament shielded him from the bullet. There have been many other lives changed or saved by reading a Gideons' Bible and have turned to Jesus for help and salvation.

Just maybe, there may be someone reading this whose life has been changed by a Gideons' Bible or New Testament. If so, we would love to hear your story.

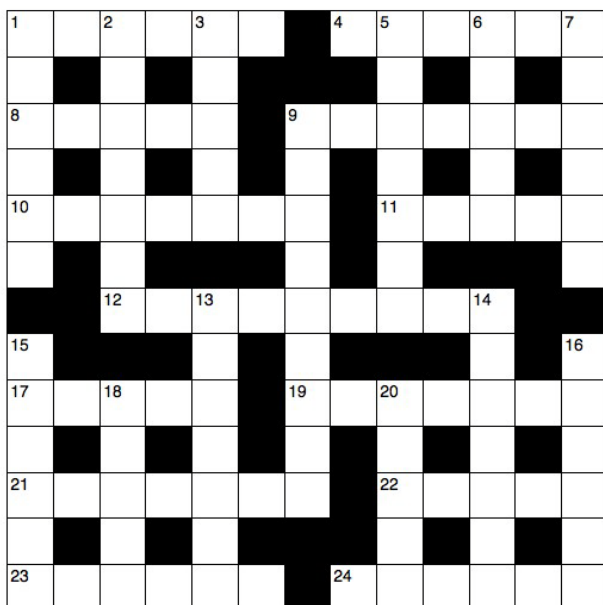

The work of the Gideons carries on today all over the world. If you wish to know more you can contact them at The Gideons International, Western House, George Street, Lutterworth, Leics. LE17 4EE. Tel:- 01455 554241. E-mail [hq@gideons.org.uk](mailto:hq@gideons.org.uk) or look online at The Gideons International.

## OPERATION CHRISTMAS CHILD

I became involved with the shoe box scheme in 1997; but after 20 years I have decided to finish after this year. There will be leaflets in church from September for those who would like to do a shoe box. For anyone new who hasn't done a box before and would like to; basically, cover a box and lid separately in Christmas wrapping paper and fill with small gifts for a boy or girl in an age related category. The leaflet gives ideas and also items not allowed e.g. liquids, chocolate or war related toys. They also ask for a donation for transport costs and unfortunately this has increased this year to £5 a box. Please return your boxes to church or to my house by Sunday 5th November. Well over 1,300 boxes have been delivered from this church over the 20 years to children in many countries. If anyone wants to take over as representative, please let me know and I can put you in touch with Samaritan's Purse. Thank you to everyone who has filled a shoebox, knitted items or donated goods or money over these past 20 years.

*Lynda Kelly*

Say “are we nearly there yet?” after a drive of 20 minutes.

Climb on a bus without knowing quite where you are going, or where to get off.

Wear a swimming costume while shopping.

Buy postcards.

Lend your key to a neighbour and spend half an hour explaining the knack of locking the front door which entails pulling, turning and pushing at the same time.

Worry about your hanging baskets and runner beans.

Miss your cat/workmates/a decent cup of tea.

Spend an hour looking for window lock keys which you have not seen since last year and why aren't they in **THEIR SPECIAL PLACE?**

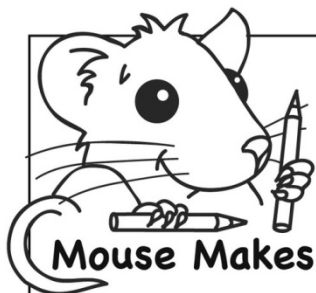

Have a pocketful of foreign coins which you try to spend on your last day.

Go to a quarry museum and try to convince yourself it is interesting as you never knew there was so much to know about slate and that it comes in so many colours (grey mainly).

Get on another bus and hope it is headed back to your hotel, whose name now escapes you.

Buy a waving lucky cat.
